

Dokumentation of good projects for CWM Uganda

Place and Date	Kakooge 7 th March 2018
Project	Farmers' cooperative Warehouse Market
Project name:	KEFAS Kakooge farmers association
Address:	Kafas Persordo
Phone:	+256774252330
Mail:	
Start Date:	2008 -2012 – restart 2017
Products:	Maize and Kasawa flower, coffee, Savings for investments, Water collecting point, wine making
Staff:	60 cooperative members
Marketing	Local market
Process of production:	The farmers bring the maize to the Maize mill. After it is made to flowers they store it until the Price is high enough. All other products they bring it to the marketplace
Delivering system:	Caritas lorry
Problems:	Price of power is very high
Support from donors:	Caritas Diocese Kasana Luwero and Caritas Denmark
Planned Investments:	A possibility to save power or get it from another source
Result:	The income of the Farmers has increased, the Assets of the cooperative has also increased. The spirit of working together and develop common strategies have improved. They have learned business skills and are very optimistic about the future
