

Dokumentation of good projects for CWM Uganda

Place and Date	Gayaza 14 th February 2018
Project	Agro Machines
Project name:	Tonnet Agro Engineering
Address:	Plot 699 Kyebando, Kanyanya 3,5 km Gayaza rd.
Phone:	0312-299176, 0772-413754
Mail:	Tonnetagro.info@gmail.com
Start Date:	1995
Products:	Agro and food machines
Staff:	Regular jobs 15 but with bigger orders about 25
Marketing	Internet, flyers, networking, relationship with NGO's good customers care, after 2 years calling for feedback, Stickers on the machines
Process of production:	Self-developed machines are constructed from the beginning up to the end.
Delivering system:	It is done in coordination with the customers
Problems:	Few orders, high competition, small Space, luck of enough funds for investments
Support from donors:	-----
Planned Investments:	Bigger machines for producing other Machines
Result:	Family's income has improved, Assets have been bought; 15 staff members are employed on a permanent basis, and others may be employed whenever there is need.
