

Documentation of good projects for CWM Uganda

Place and Date	Kajjansi 3th February 2018
Project	Carpentry with education dropouts and Deaf
Project name:	Furniture works and General Construction
Address:	MUYIMBA CHARLES, PO Box 18544 Kajjansi
Phone:	0772-448042 or 0752-448042
Mail:	----
Start Date:	1996
Products:	Many kinds of furniture, Doors, Door-frames, roofing, shuttering etc.
Staff:	7
Marketing	Local network
Process of production:	Small professional machines, education procedures, are managed by father and son
Delivering system:	Local transport is organized
Problems:	Limited funds, working space is small, There is no accommodation for trainees, Competition is stiff.
Support from donors:	. Very small
Planned Investments:	Extend the workshop to produce with metal and Aluminum, buy a truck for easier transport.
Result:	Till now they have trained 25 people who are also helping others in the country. They have bought small machines to simplify the work, A plot has been bought where construction of the big workshop can be done. The 25 people can look after their families from the small amount of money earned.
